[REDACTED] ORR 10457 [REDACTED]

1. It is requested that the subject source be interrogated on the following points:

a. What types and value of chemical equipment did Hungary import from East Germany? Why was it necessary to import the equipment? Why from East Germany and not from some other Bloc country?

b. Did or does Hungary import chemical equipment from the West? If so, what types, value, and from what country?

c. What is the capability of Hungarian manufacturers to produce chemical equipment?

d. What types of chemical equipment does Hungary export? Values? to which countries?
